

PrintMaster™

Premium Toner Cartridges

Offered by:

The quality of the original at a price that's much more competitive. Start saving money today and help protect the environment. Image Station of America offers PrintMaster brand replacement toner cartridges and kits...improving your image and your bottom line, time and time again.

COMPATIBILITY...WE'VE GOT IT

Our industry knowledge and resources enable us to be quick to market with the products you want. PrintMaster manufactures a wide selection of cartridges for the most popular models of laser printers, personal copiers and plain paper fax machines. Just check out our product list to find the right cartridge for your printer.

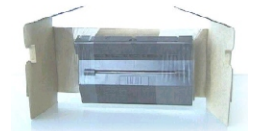

QUALITY... WE GUARANTEE IT

PrintMaster has earned a reputation in the imaging supplies business for delivering quality products to our customers at competitive prices. Each product is backed by our exclusive PrintMaster guarantee. Each cartridge is engineered and manufactured to meet exacting standards in construction and performance. The cartridges are assembled by technicians who have been trained, tested and certified to work on each specific product. Print tests are run on each and every cartridge before it is packed for shipping.

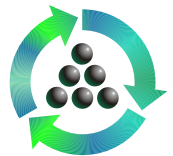

AIR CUSHION PACKAGING...AN INDUSTRY EXCLUSIVE

After the quality goes into the product, we put the product into the highest quality packaging available. Every cartridge shipped from our ISO 9001 certified facility is packed in our exclusive Air Cushion insert. This is the only insert in the industry to pass the rigorous International Safe Transit Association (ISTA) test for laser cartridge packaging accepted by UPS, FedEx and most major freight carriers as the standard for excellence.

CARTRIDGE RECYCLING PROGRAMS

Image Station of America helps meet the needs of the industry and the environment through our cartridge recycling programs. Programs are now in place to suit a variety of needs. Please call for more information about our Empty Cartridge Recycling Programs.
